## The Swiss Tech Convention Centre (EPFL)

CEO212 / Station 1, CH – 1015 Lausanne

<http://www.tstcc.ch>

### ✦ General information ⇒ Opening in 2014

In 2014, the Federal Institute of Technology in Lausanne will open the world's first fully automated congress centre. The Swiss Tech Convention Centre has seating capacity for a total of 3,000 people and comprises a large 2,205-seat auditorium, a 795-seat balcony and fifteen or so break-out rooms on the ground floor, all of them fully modular.

With futuristic technology for events that are an effortless combination of flexibility, modularity, openness and simultaneity, this centre showcases what the convention industry demands today and tomorrow. It is endowed with revolutionary patented technology, allowing seating to be retracted at the touch of a button. Swallowed up by an intelligent floor, the seating thus gives way to a flat surface. The Swiss Tech Convention Centre is clearly the venue of choice for your forthcoming science congresses.
