## A WARM WELCOME

The Hotel Seepark stands on the shore of Lake Thun, surrounded by the venerable trees of the Schadau Park. An address right by the water's edge comprising 85 modern guest rooms, four Junior Suites and two Panoramic Suites – all of which are bright, stylish and elegant. Since years the Seepark is proud of its title as one of Switzerland's preferred seminar hotels, taking second place in the Business category rankings in the year 2014. There are 17 plenary, seminar and group rooms with state-of-the-art facilities and plenty of natural light, offering space for conferences, seminars, workshops or meetings.

In the hours before and after the seminar, the hotel and restaurant provide exceptional food and drink. The menu is characterised by fresh dishes, fish and exquisite creations, mostly made from local produce.

Our guests enjoy a special experience in the hotel's own wellness and fitness area. The natural surroundings offer opportunities to walk, jog or explore the region on mountain bikes or «Stromer» electric bikes. Also at the Seepark: Chef's Table in the Seepark kitchen, fondue or raclette parties in the traditional Carnotzet, BBQ on the garden terrace, receptions on the roof terrace – ask us for ideas for your individual supporting programme.

Inspired by the peaceful atmosphere and breathtaking views of the lake and mountains, our guests experience a new sense of vitality and a whole lot of pleasure.

We wish you a warm welcome!  
Urs Bircher and the team
