WELCOME TO THE FIFA WORLD FOOTBALL MUSEUM

Pelé, Maradona, Zidane – they didn't become stars on their own. Anyone who wants to be successful needs a strong team around them.

And that doesn't just apply to football. Anywhere in the world, if people want to achieve something together, they have to work as a team. And all teams need inspiration.

The FIFA World Football Museum provides the ideal inspirational setting for your next event. Here at the museum, meetings and conferences go far beyond the ordinary. It's not just the modern infrastructure and excellent catering services which guarantee the right result – everyone attending a workshop or congress at the museum experiences a unique atmosphere based on teamwork, fighting spirit and leadership.

Host your event at the FIFA World Football Museum, centrally located in the heart of Zurich with excellent transport links. We look forward to helping you inspire your guests. Get ready to turn your away match into a home game in early 2016.
